

*A sacred cry.  
It reminds us at a certain moment  
that we are alive, that we  
celebrate, suddenly the  
conversations and the music stop  
and the protagonist utters the first  
cry: SPRITZZA! with an Italian  
accent, and everyone responds to  
the toast raising their glasses.*

## PIZZAS

Our pizzas are made with 100% organic flour, our raw materials are top quality, but for us the most important ingredient is the 80% hydration time. With it we are able to extract the genuine wheat flavor through the entire baking process.

Our pizzas are the celebration of the city's most classic tastes combined with the magical and light Neapolitan pizza dough.
